

Electronic Application Disclosure Documents

Final Expense – Indiana

Dear Applicant:

We are pleased to accept your application for life insurance. The application process will be completed electronically. The electronic application process allows you to review all of the information entered into the application form for accuracy before you sign. Your agent will ask all application questions and record your answers as you provide them. Once the application is complete, you will be asked to review all of the information before typing your name in the signature section.

After the electronic document is signed, it is reviewed one more time before being submitted to the Company. If any changes are required at this point, the signature process will be repeated after the changes are made, including another final review before the application is transmitted to the Company. Typing your name into the electronic document indicates your acceptance of its terms. Your electronic signature is legally binding.

Columbian's electronic application, and in particular electronic signature systems and processes use Adobe's PDF SSL digital encryption and lock down facilities. Columbian uses the signed PDF documents as the authoritative data. The electronic application process requires positive action on the part of the proposed insured and the agent and immediately produces a corresponding locked PDF document. Any subsequent alterations will be easily viewed as it will break the PDF locked and encrypted validation seals. Additionally, the data collected and the PDF document will be kept in separate but secured systems providing another validation method.

Columbian's digital signature process involves using an enterprise custom certificate authority. This certificate is a file in a folder on the Columbian hosting server. Once stored on the hosting server, an applicant's signature may not be transmitted to any other forms.

To protect the privacy of the information collected HTTPS (SSL) certificates are employed to encrypt the entire application data gathering session. All collected data is stored in secured databases with access granted only to appropriate Company staff.

DocuSign eSignature complies with the U.S. ESIGN Act and UETA.

All of the Company's data and systems, including that of the electronic application data and process, are secured using current technology standards and procedures that undergo a variety of both internal and external audits and periodic reviews of the process and of the systems to ensure they are kept current.

Important Disclosures **Accelerated Benefit Rider**

This briefly describes the provisions of the Accelerated Benefit Rider. Consult your rider for specific information. Please read your policy and rider carefully.

The Accelerated Benefit Rider allows you to elect to receive an advance on the death benefit of the policy when the Insured is diagnosed as having a non-correctable terminal illness which, in the best medical judgment of a physician, will result in the death of the insured within twelve (12) months from the date of the diagnosis. Diagnosis must be made during the time the rider and the policy are in force.

The Accelerated Benefit is equal to fifty percent (50%) of the insured's base policy death benefit. We will pay this amount less any loan (and unpaid loan interest) on the policy, any due and unpaid premium, and an Administrative Service Fee of \$250.00. The policy loan and unpaid loan interest will be repaid. There will be no change in premiums. Regular premium payments as specified in the policy will be required in order to keep the policy in force. We will establish a lien against the death benefit of the policy equal to the amount of the Accelerated Benefit, plus accrued interest at the Accelerated Benefit interest rates. At the death of the insured, we will deduct the lien from the death benefit of the policy. If the Policy has a Surrender Value, the total amount of the lien and any policy loans and loan or lien interest will be deducted from the Surrender Value of the policy. If the total of all liens, loans and loan interest equals or exceeds the death benefit of the Policy, the Policy will terminate.

IF AN ACCELERATED BENEFIT IS PAID THE POLICY DEATH BENEFIT AND SURRENDER VALUE WILL BE REDUCED. RECEIPT OF ACCELERATED BENEFITS MAY BE TAXABLE. YOU SHOULD CONSULT YOUR PERSONAL TAX ADVISOR TO DETERMINE THE CURRENT TAX CONSEQUENCES PRIOR TO MAKING ANY ELECTION.

The rider may affect your ability to receive certain government benefits or entitlements. The Accelerated Benefit may be considered an asset in determining eligibility. You should contact your local Medicaid Unit and the Social Security Administration for more information.

The Accelerated Benefit Rider is not long-term care insurance and does not provide long-term care benefits.

There is no premium charge for the rider; however, there is a \$250 Administrative Service Fee for processing an Accelerated Benefit payment.

I hereby acknowledge that I have received a copy of this statement. I understand that there is no premium charge for the rider, but there will be a \$250 Administrative Service Fee for processing an Accelerated Benefit payment. I understand that the rider may affect my ability to receive certain government benefits or entitlements and that receipt of an Accelerated Benefit may be taxable.
