Important Disclosures
Accelerated Benefit Rider

This briefly describes the provisions of the Accelerated Benefit Rider. Consult your rider for specific information. Please read your policy and rider carefully.

The Accelerated Benefit Rider allows you to elect to receive an advance on the death benefit of the policy when the Insured is diagnosed as having a non-correctable fatal illness which, in the best medical judgment of a physician, will result in the death of the insured within twelve (12) months from the date of the diagnosis. Diagnosis must be made during the time the rider and the policy are in force.

The Accelerated Benefit is equal to fifty percent (50%) of the insured's base policy death benefit. We will pay this amount less any loan (and unpaid loan interest) on the policy, any due and unpaid premium, and an Administrative Service Fee of $250.00. The policy loan and unpaid loan interest will be repaid. There will be no change in premiums. Regular premium payments as specified in the policy will be required in order to keep the policy in force. We will establish a lien against the death benefit of the policy equal to the amount of the Accelerated Benefit, plus accrued interest at the Accelerated Benefit interest rates. At the death of the insured, we will deduct the lien from the death benefit of the policy. If the Policy has a Surrender Value, the total amount of the lien and any policy loans and loan or lien interest will be deducted from the Surrender Value of the policy. If the total of all liens, loans and loan interest equals or exceeds the death benefit of the Policy, the Policy will terminate.

IF AN ACCELERATED BENEFIT IS PAID, THE POLICY DEATH BENEFIT AND SURRENDER VALUE WILL BE REDUCED. RECEIPT OF ACCELERATED BENEFITS MAY BE TAXABLE. YOU SHOULD CONSULT YOUR PERSONAL TAX ADVISOR TO DETERMINE THE CURRENT TAX CONSEQUENCES PRIOR TO MAKING ANY ELECTION.

The rider may affect your ability to receive certain government benefits or entitlements. The Accelerated Benefit may be considered an asset in determining eligibility. You should contact your local Medicaid Unit and the Social Security Administration for more information.

The Accelerated Benefit Rider is not long-term care insurance and does not provide long-term care benefits.

There is no premium charge for the rider; however, there is a $250 Administrative Service Fee for processing an Accelerated Benefit payment.

I hereby acknowledge that I have received a copy of this statement. I understand that there is no premium charge for the rider, but there will be a $250 Administrative Service Fee for processing an Accelerated Benefit payment. I understand that the rider may affect my ability to receive certain government benefits or entitlements and that receipt of an Accelerated Benefit may be taxable.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ___ YES ___ NO

2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ___ YES ___ NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

	INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because _____

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:
- Are they affordable?
- Could they change?
- You're older -- are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:
- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:
- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

If a replacement is involved in the purchase of the new policy or contract, you may return it within thirty (30) days of receipt for a full refund of all premiums or considerations paid on it, including any policy fees or charges. For a variable or market value adjustment policy or contract, the amount paid will be the cash surrender value provided under the policy or contract plus the fees and other charges deducted from the gross premiums or considerations or imposed under the policy or contract. If the policy or contract is returned, the coverage will be considered void from the beginning.
